

CPDU CREDITS

You may earn 6 CPDU credits by attending the full day of the Symposium.

In order to receive continuing education credit, you must follow the this process:

- 1) SIGN IN at the CPDU table in the Symposium registration area (Norris University Center, Louis Room) before 8:30am, and pick up a CPDU evaluation form.
- 2) Turn in your completed CPDU evaluation form at the registration table at the conclusion of the Symposium (after 2:30pm). You will then pick up the "Evidence of Completion" form mandated by ISBE. (Your completed CPDU evaluation form will be your "ticket" to receive the Evidence of Completion form.)

Due to State Board requirements, variances to this process will not be accepted.
